

(c) Report to BLM the amount of refined helium you sold to Federal agencies; and

(d) Maintain records for inspection and audit by BLM in accordance with 30 U.S.C. 17.13(b).

§ 3195.32 Where can I find a list of Federal agencies that use helium?

You must request from BLM in writing the list of Federal agencies that have purchased a major helium requirement during the past year.

§ 3195.33 What information must I report to BLM?

(a) In accordance with the In-Kind Crude Helium Sales Contract, within 45 days of the end of each quarter, you must report to BLM (see § 3195.13) the following:

- (1) The name of the Federal agency to which you supplied helium;
- (2) The amount of helium you delivered and the date you delivered it; and
- (3) The helium use location.

(b) In accordance with the In-Kind Crude Helium Sales Contract, by November 15 of each year, you must report to BLM (see § 3195.13) the following:

- (1) The name of the Federal agency to which you supplied helium; and
- (2) The cumulative amount of helium delivered during the previous fiscal year for each Federal agency.

§ 3195.34 What happens to my Helium Distribution Contracts?

Helium Distribution Contracts between BLM and a helium distributor have been terminated. You must execute an In-Kind Crude Helium Sales Contract before you sell a major helium requirement to a Federal agency.

§ 3195.35 What happens if I have an outstanding obligation to purchase refined helium under a Helium Distribution Contract?

If you were obligated to buy refined helium under a Helium Distribution Contract, your In-Kind Crude Helium Sales Contract requires you to buy an equivalent amount of crude helium in lieu of that obligation.

§ 3195.36 What happens if there is a shortage of helium?

If there is a shortage of helium (either company specific or industry wide) which would cause you to defer helium shipments to a buyer, you must, in accordance with your In-Kind Crude Helium Sales Contract, give the United States priority over non-government requirements.

§ 3195.37 Under what circumstances can BLM terminate me as an authorized Federal helium supplier?

BLM has the authority to terminate you as an authorized Federal helium supplier for:

- (a) Nonpayment for a like amount of crude helium;
- (b) Not reporting helium deliveries according to your In-Kind Crude Helium Sales Contract and these regulations;
- (c) Not taking delivery of a purchase of a like amount of crude helium not covered by a valid helium storage contract; or
- (d) Any other breach of contract or violation of these regulations.
